

### **The Bonist Symbol:**

1. In a perfect square, insert a Golden Rectangle, lengthwise, centered vertically.
2. Divide the square into five vertical lines.
3. Create a circle inside the rectangle.
4. The width of the sides of the circle should be 1/5th of the square, and the top widths should be 1/4th of the sides.
5. Insert a center beam 1/5th of the square, vertically.
6. On the tops and bottom of the beam, a flare 1/10th of the width of the square, and the same height as the top and bottom of the circle.
